

Dear Sir/Madam (or their name if it is in the job description),

I am writing to enquire about the opening for the junior front end developer position.

OR

I am writing to enquire about a potential opening for an internship frontend developer position.

I offer the experience required to develop responsive, multi-platform and performant web applications using React along with the ability to work independently and learn quickly. My E-Portfolio below highlights my strong skills for frontend development, along with other skills that also align with this position.

I welcome the opportunity to speak with you if you feel I will be a strong candidate for this or any other position in your organisation.

Kind regards,
David Bragg
